# Foreword

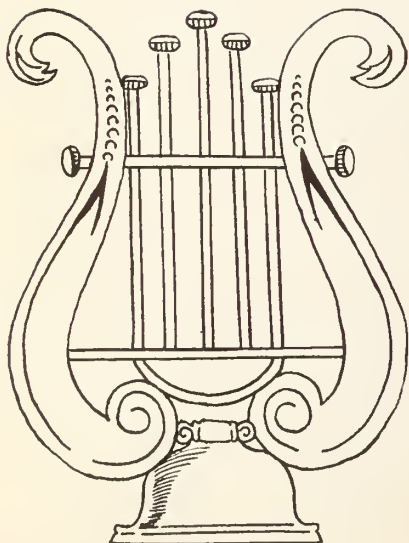

Amidst the peril and gloom of 1942, without bravado, and with a deep faith in the future of America and in the future of all democracy; we set forth as the theme of this book the eternal goodness, beauty, and truth in life—the life of youth and free men.

Because we have faith, and because the youthful spokesman of that faith—Robert Burns is the ageless poet and singer of youth, love, humanity, and democracy we present our theme in terms of his music.

Because this book is a memory book that pictures our youth, mirrors it chiefly for ourselves, and retains the image for our later years we choose his immortal song, "Auld Lang Syne."

He left a permanent inheritance of love, truth, and beauty despite his failures and discouragements.

We believe that our ideals are worth preserving, that through us they will survive, and that we will be able to recall the "old times" of 1942 with satisfaction.

# Dedication

She teaches us as one who loves literature, loves learning, loves language and loves us.

She works not only for us, but works with us; faithfully and enthusiastically she works as one who likes work and likes us.

She coaches us in our dramatic efforts with skill and understanding of us.

She advises us in our self-government and in our social life with sound judgment and true understanding of us.

With patience, generosity, and wit; with charm, individuality and spirit—she has won us.

In love and gratitude we respectfully dedicate this book to our friend, BETTY McCARTHY.

## Our Conductor

Throughout our four years, and throughout the life of the school Mr. Halsey has carried the responsibility of directing the complex educational enterprise that we fondly call "REGIONAL." As our four years pass and we approach maturity, we appreciate more clearly his sincere interest in all phases of our development.

Especially in this perilous year 1942 do we recognize him as an American schoolman and citizen who has taken his place in school leadership and community leadership, with spirit and determination.

Dating from his World War I military service in the A.E.F. he has consistently advocated with sincerity and conviction a forceful policy of armed strength as the sound and indispensable protection of American democracy.

In this dark year we graduate with a realization of his foresight. Under the influence of his spirit we enter upon adult life with the purpose of serving our community and our nation as courageous and unselfish citizens and as worthy alumni of "REGIONAL."

BETTE ADDIS  
"B. B."

*Garwood* *General*  
Bette likes her studies but not better than she likes social life. She is a fine girl, and we know she will succeed in all she does.

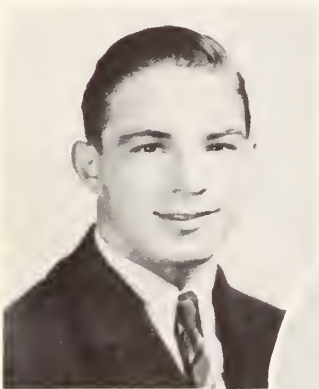

WILLIAM ALEXANDER  
"Bill"

*Springfield* *College Preparatory*  
When Bill reaches college, feminine eyes will focus on him as they've done here. He's a singer, dancer, and skater—a smart young fellow and a good mixer.

ROGER DeWITT ALLCROFT  
*Roselle* *College Preparatory*  
One of the best wrestlers Regional has ever had—in addition he is an excellent student. Roger's ambition is to enlist in the Army Air Corps.

JUNE ALLEN  
*Springfield* *College Preparatory*  
That attractive blonde walking arm in arm with Marie is June. Out of school she roller skates and rides horse-back. Girls like June will be remembered a long time.

JOE AMOROSA  
*Kenilworth* *General*  
Joe is that little fellow with the big smile. You've seen him pin his opponents to the mat with all the skill of a champion. Keep going, Joe!

URSULA JOHANNA BABER  
"Bobby"  
*Springfield* *General*  
Ursula is one of those refined quiet girls. Her quietness, however, serves only as a charm to further her conquests in the field of Mr. J. P.

INGEBORG BAHKE  
"Inky"  
*New Providence Township* *College Preparatory*  
Inky is one of the very best in all ways imaginable. Her good marks never interfere with her wide social life. She's always on top when the grades are published.

CLARENCE ANDERSON  
"Ted"

*Kenilworth* *General*  
Ted is the noisiest quiet fellow in school. He likes his fun but always manages to keep it under control. He excels in all things including farming, wrestling, and horseshoe pitching.

HENRY BOCK, JR.  
*Springfield College Preparatory*  
 Henry's a "swell" all-round fellow who treats his classmates as a real friend. He's ready and willing to pitch in and do something to benefit his fellowman.

WILLIAM BELLIVEAU  
*"Bill"*  
*Springfield College Preparatory*  
 Here's one of Regional's "good lookers." He likes chemistry and math, and isn't afraid of tough problems. Bill also likes his girls, and they like him. He'll be a success.

JULIA BECKER  
*New Providence Township Commercial*  
 "Jewel" has her own ideas, and no one can change them. She is a true pal. We would like to have more like her.

MARY BENINATI  
*Kemilworth Commercial*  
 Always smiling, never complaining, Mary is a sweetheart of our alma mater who will not be forgotten. No wonder we like her, for she's our most "Kiddable" senior.

CHANNING BROWN  
*"Chink"*  
*Springfield College Preparatory*  
 A master of sly humor and wit, "Chink" has won many friends at Regional. Always a hard worker, "Chink" has been an asset to the football team as manager.

DOROTHY BOYTON  
*"Little Lou"*  
*Mountainside General*  
 Maybe she's small, and maybe she's quiet; but she's certainly upholding the army morale. Dotty is Regional's most active letter writer. It's not a bad way to endure English class.

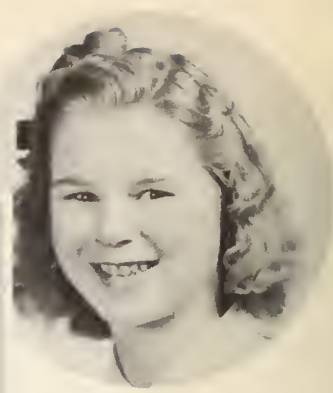

JOHN BOHADEL  
*"Bo"*  
*Garwood General*  
 "Bo" is a rather serious fellow. Certainly his work on the gridiron showed that he wasn't kidding while in a football uniform. A Navy uniform will be next.

JUNE BRODHEAD  
*Springfield Commercial*  
 June doesn't want us to say anything bad about her, and how could we? June is cheerful, gay, and loyal, and lively — always "Bobbing" around from place to place.

BETTY BUSER  
*New Providence Township*  
*College Preparatory*  
 Here is a gay little blonde who flits from roller-skating rinks to archery fields, and even to classes. You'll find her a fun-maker and also a talented lady.

SHIRLIE BROWN  
*"Squirrelie"*  
*Clark College Preparatory*  
 Where does Shirley get all her pep? She rides a horse; that keeps her bouncing! Roller skating is also another hobby. Friendly and helpful, "Squirrelie" is liked by everyone.

DOROTHE BROWN  
*"Brownie"*  
*Garwood General*  
 Dancing and cutting up are Dot's hobbies. Now she is terribly busy writing to Pat. Dot has made life interesting at Regional for herself and for many others.

WALLACE BURNETT  
*Springfield General*  
 Wally, a new-comer to our school, has been received enthusiastically by the students. A brilliant crop of red hair makes him stand out among his fellow Regionalites.

CATHERINE CAROBRESE  
*"Cat"*  
*New Providence Township Commercial*  
 Catherine is one of those girls who knows her place in life; it is on top of the ladder. Her spirited, friendly ways entitle her to the finest.

ISADORE CAMINSKY  
*"Izzy"*  
*Garwood Commercial*  
 Izzy is lots of honest-to-goodness fun. He's down to earth when it comes to lending a helping hand, but he's flying high when his work is done.

GRACE M. BUTLER  
*Kenilworth Commercial*  
 Grace is a romantic soul—it used to be "ED", and now it's "Herbie". Who knows the future? The lucky one will be fortunate to have Grace's affections.

JOHN CANNARIATO  
*Kenilworth College Preparatory*  
 No one likes an argument better than John. He's ambitious and an aggressive student as evidenced by his success in selling Christmas cards. John's headed for a legal career.

ALYCE CARLSON

*Clark* *General*  
Alyce has wit as well as her wits about her. She shadows Helen Jeney but reflects her own thoughts. "Al" can be serious and is not disinterested in boys.

FRANK LEO CIEMNIECKI

*Kenilworth* *General*  
Here's a handsome fellow. A football man, Frank is very interested in all sports. Although he is quiet and almost shy, you should get acquainted with him. You'll be glad.

MARGARET CLARKSON

*Garwood* *Commercial*  
"Meg" is small but a smart talker. She adapts herself to the situation and takes over what others tried but failed to do. Happy-go-lucky is "Meg".

JAMES CERULLI

"Gigy"

*New Providence Township* *General*  
Variety is the spice of life, and Jim has plenty of life and spice. He's one of our temperamental students. During the summers he has been learning masonry.

EILEEN C. COLWELL

"P"

*Garwood* *Commercial*  
"When Irish eyes are Smiling" she is smiling too. Wherever you see Eileen you see good will and happiness, and she's got loads in reserve.

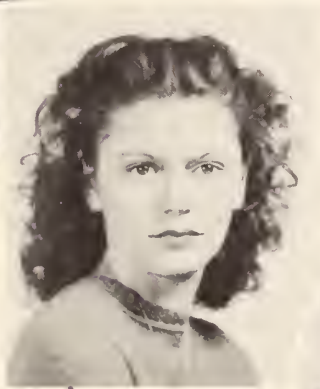

LOUISE G. COUSER

"Wese"

*New Providence Township* *General*

What does "Wese" mean to us? Pep, life, fun, chatter, wit, sparkle, and everything nice—that's "Wese". She's popular with her "fellow" Regionalites, of course.

ELEANOR CLAIRE COOKE

"Cookie"

*Clark* *General*  
"A million-dollar baby in the 5 & 10c store", that's Eleanor. When she's not bowling or working, she may be studying. We'll hear of her in the future.

CHARLES CROUSE

*Springfield* *General*  
A snappy dresser, Charlie is a favorite of many Regional beauties. His special ambition is aviation. Already he is a good mechanic, and well-equipped for his high career.

PHILIP CULL  
"Phil"

*Springfield* *General*  
Phil was one of the first to "Remember Pearl Harbor." In December he left the halls of Regional, to be on deck in the United States Navy. Lots of luck to you, Phil.

ANNA DAFELDECKER  
"Daffy"

*Kenilworth* *Commercial*  
"Daffy" holds the honored place of "Best Dancer" in our class's hall of fame. Besides, she has personality and wit which add up to make her about "tops".

FRED DANNEMAN

*Springfield* *General*  
Freddie is well-known for his basketball and pole vaulting records as well as for his scholarship. We know he will vault to new heights in whatever he undertakes.

HERBERT DAY  
"Herbie"

*Springfield* *College Preparatory*  
A quiet, easy-going manner has "Herb", a trait that wins friends wherever he goes. On the football field he's a stonewall lineman. Luck to a "swell" fellow.

EILEEN A. De DREUX  
"Scotty"

*Springfield* *General*  
One of our latest additions to Regional — Eileen has made many friends both in and out of school. You have to watch these new girls; they'll steal your heart away.

ANTHONY J. DEL DUCA  
"Bro"

*New Providence Township* *General Agriculture*  
Tony's getting along all right on his own; still he has been lucky to have a sister in his class. For a quiet fellow he can make a lot of noise.

JOSEPHINE FRANCES  
DEL DUCA  
"Jo"

*New Providence Township* *General*  
Jo is kind and Jo is sweet. She's little, cute, nice and neat. All agree (both young and old) That she's really worth her weight in gold.

LENA DEL CONTE  
"Lee"

*Garwood* *General*  
We all know Lena as a sociable "miss" who delights in nothing more than keeping her friends happy. It's not hard to do when you've got a disposition like Lena's.

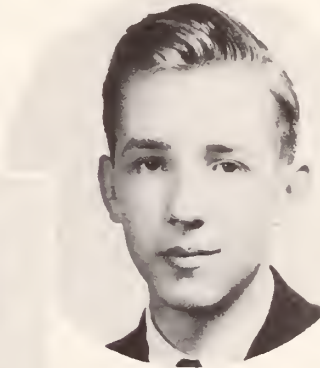

ALBERT ENZ  
"Al"

*New Providence Township General*  
Don't be careless of your appearance when Al is around, or he'll shoot you with his camera. He has been a valuable member of the "Regionalogue" photography staff.

RUDY Di NUNZIO  
"Rud"

*New Providence Township Commercial*  
It has been rumored that Rudy is a flirt. Be that as it may, it is certain that he is a good looking, popular fellow with barrels of pep.

FRANK L. DEIGNAN  
"Dagwood"

*Kenilworth General*  
From the start we rated "Dagwood" as a good sport and an able fellow. Last January in his characteristically quiet way he courageously enlisted for service as an army flier.

WALDEMAR DOPIERALA  
"Dab"

*Garwood College Preparatory*  
It is predicted in the stars that Waldemar will turn out to be a great chemist or a science teacher. His future followers will admire him as we do.

ALVIN H. FLAMME  
"Al"

*Springfield College Preparatory*  
"Al", a wizard with an automobile, is studious and quiet in school, not so on week-end nights. Ask any of his friends in Union. He has spirit and ambition.

HARTLEY W. FERGUSON  
"Fergie"

*Springfield College Preparatory*  
Whether it's riding with girls, acting in plays, or solving math problems; Hartley is tops. He is a hardworker with a great sense of humor, which makes a winning combination.

ELIZABETH FACKELMAN  
"Betty"

*Clark Commercial*  
Betty's cakes and pies are famous. Oh yes, they melt in your mouth. In her glory at office work, Betty wants to be a secretary. We know she'll succeed.

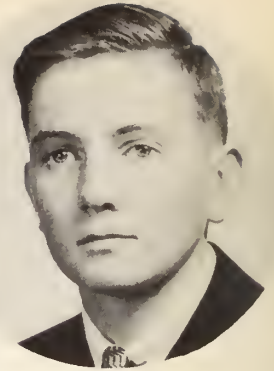

PAUL FERREL

*Garwood General Agriculture*  
Paul has worked loyally for his school. Regional actors know his ability and energy as stage manager. In the future others will benefit from his friendship as we have.

GREGG FROST

"Randy"

*Springfield* *General*  
As unpredictable as the weather are Frost and Snow when they get together. Yhale's car and Gregg's toleration make a winning combination.

EDWARD FLESHER

"Ed"

*Garwood* *Commercial*  
Ed's friendly ways and his abilities make him one of Regional's valuable seniors. We think the world of Ed because he's A-1 in all that is good.

ROBERT FLEMING

"Bobs"

*Maplewood* *College Preparatory*  
"Bob" was among the first to sail off to meet the enemy when our country's flag was attacked last December. Our admiration and best wishes to a member of the Coast Guard.

EDMUND FREY

*Mountainside*

*General*

Ed finds life interesting at Regional, and, we think, it's the girls that make him feel that way. Having a watchful father at school worries Ed not at all.

JOSEPH GOROMBAY

"Joe"

*Garwood* *Commercial*  
Joe is one of those boys who doesn't say much but thinks a good deal. Put this and his ever-willing, ever-smiling attitude together and you have a grand, sociable fellow.

EVELYN G. GENTLE

*New Providence Township*

*College Preparatory*

Evelyn is never still a minute. With her conversational powers she's invaluable when things get dull. We all recognize her as one of our most helpful and obliging classmates.

RICHARD MARTIN GANSKA

"Rich"

*Springfield* *General*  
When you remember a big fellow with a little bucket of water jogging across the football field, you will recall Richy's long and faithful service to our teams.

MICHAEL GINESI

"Mickey"

*Clark*

*Commercial*

A lot of fun but also a bit of a wolf—that's Mickey! A hard worker; where would the "Dayton News" be without you? It's been fun knowing you, "fella".

# ANNA GRIPPO

*Kemilworth*

*General*

"There are smiles that make us happy"; Anna's is that kind. What makes her so happy we aren't sure, but we hope she'll always feel that way.

# GEORGE GUNSAULES

*Garwood*

*Commercial*

George has a crew of friends, not only because he has a car, but because he's the sort of fellow people like to have with them any place, any time.

# ERNEST GURZLER

*Springfield*

*General*

Ernie, a new-comer to our school, is a very bashful individual, but we all know he's here because he has plenty of school spirit. Lots of luck to you, Ernie!

# JOHN A. GUDOR

*"Grappler Gudor"*

*Clark*

*College Preparatory*

Johnnie has a way that makes him popular with everyone. Yes, he's the fellow who looks as though he's "born to the saddle," and he's a member of our wrestling team.

# FRANK E. GWATHNEY

*Springfield*

*General*

A very neat and dressy fellow, Frank's heart is in athletics. We know him and his speed in football and track. His easy going manner and pleasant disposition rate him high.

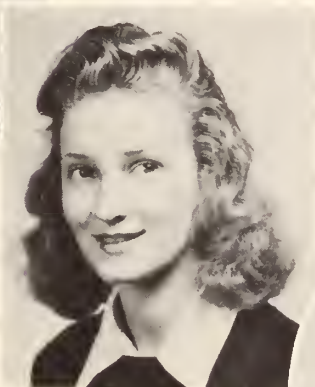

# JAMES ROBERT HAMBACHER

*"Jim"*

*Mountainside*

*College Preparatory*

"Good things come in small packages" certainly applies to Jim. He and Ed are Regional's own "insufferables." What would we have done without Jim to liven things up in Physics class?

# MARION HATTERSLEY

*Springfield*

*Commercial*

She's a half-pint who likes to drive the family car, but don't take her on the highway. Marion's a great kiddier, a good sport, and a real senior.

# JUANITA HALL

*Springfield* *College Preparatory*

Although she is not a gold digger, "Juan" usually gets anything she sets her heart on. It must be because she just has everything it takes to come out on top.

DOROTHEA M. HAY  
"Dot"

*Garwood* *General*  
One of our chief workers for the "Regionalogue", "Dot" enjoys fun at the proper time and has made leads of friends at Regional. Smooth sailing, "Dot".

DAISY HERDER  
"Bunny"

*Mountainside* *General*  
Although in school she is quiet, reports from the outside lead us to wonder. A great friend to all, she can influence people and, of course, they like being influenced.

MAGDALENA C. HIRSCH  
"Maggie"

*Garwood* *Commercial*  
Don't let Magdalena pull the wool over your eyes, for she's not as quiet as you think. If you really want to drown your cares, call on this "superduper" giggler.

FRANCES HOMYOCK  
"Franny"

*Garwood* *Commercial*  
Franny's smile makes you feel glad all over and keeps your spirit wide awake. She makes a good impression on anyone she meets, and no wonder. Keep smiling.

VERONICA M. HOLDER

*Springfield* *General*  
Lively and full of fun, Vera is an important addition to any party. This tiny girl has won a big place in the hearts of her friends.

CHARLES A. HONECKER  
"Chas."

*Mountainside* *College Preparatory*  
Seeing an athletic event without him is like seeing him without Doris. Find Charlie and you have found a swell all around combination of fun and good fellowship.

EDWARD HOWARTH  
"Ed"

*Garwood* *College Preparatory*  
Because he was well advised, Ed "doesn't let school interfere with his education." He gets along well with the girls. What would assembly be without the Howarth-Pack-er team?

ROSE MARIE INNOCENTI  
"Sis"

*Kemilworth* *Commercial*  
Hip! Hip! Rose, one of our outstanding cheerleaders, is also one of the most sensible girls in the class, and a perfect secretary. Keep 'em cheering.

#### HELEN KEATING

*Kenilworth College Preparatory*  
Another able Keating and a valuable "Regionalogue" worker as well. When there's work to be done or fun to be had, Helen is "Johnny on the spot". Ask Vinnie.

#### HELEN JENEY

*Clark General*  
When you hear the roar of a motorcycle, look quickly; Helen may be on the back seat. Smilingly, loyally—she stays with the rest of the gang.

#### FLORENZ JEFFRIES "Frenchie"

*Kenilworth General*  
Florenz has strength of character, dignity, honesty, poise and determination. Still she is the kind that carries with her sunshine and song—a girl whom we admire and enjoy.

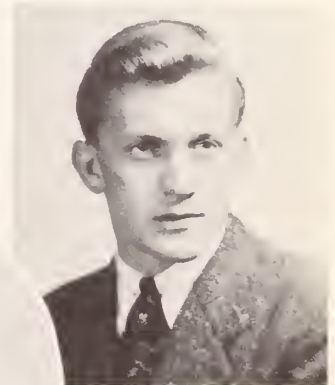

#### MARION JUNKER

*Clark General*  
A born skater, Marion's at home in the best "roller" company. At the rink or at school, at Clark or Regional—she's a popular young lady.

#### HERBERT KENT "Herb"

*Springfield Commercial*  
"Herb" has everything to make him happy. He is a blushing blond, has a car, a good chance with all pretty girls, and a good standing in his secretarial course.

#### MARY KELLY

*Kenilworth General*  
Mary is a sweet little girl with sparkling eyes. We like her because of her lively personality. She can always keep us laughing no matter what's wrong.

#### JOSEPH KELLY "Kell"

*Garwood General*  
It is predicted in the crystal ball that Joe will become a great riding instructor and the proud owner of fine race horses. He has brains in that head.

#### WILLIAM JOHN KENNEDY "Scotty"

*New Providence Township General Agriculture*  
Kennedy is a fellow who is a good kiddier. He is one of our "Future Farmers of America." The best of luck to one of our agriculturalists.

GERTRUDE KORDELSKI

"Gertie"

*Clark Township General*  
Gertie is a charmer who has been known to break a few hearts. Pity the internes when she becomes a nurse. We like her hobby—guitar playing.

JEANETTE KNAPP

"Jean"

*Mountainside Commercial*  
Through all the day Jean will smile, to help a friend, she'd go a mile. Although she's quiet all the while, she will always be right in style.

ADOLPH KLIMEK

*Garwood General*  
Adolph certainly keeps the ball rolling wherever he goes, but he thinks nothing of it. Not only is he able to do things; he's really willing to be of great help, if you ask him.

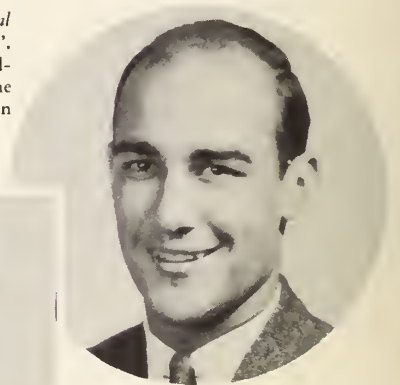

BETTE KNUDSON

"Knute"

*Kenilworth General*  
Bette, the peppy little blonde, whom all the students in Regional admire, is the only one in Regional who has had the honor of being a cheerleader for four consecutive years.

HOWARD KRUEGER

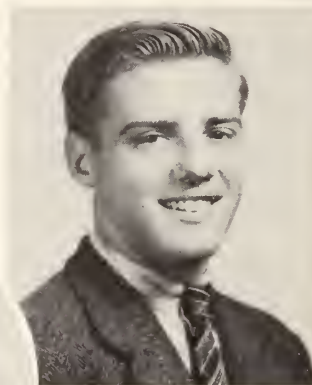

*Kenilworth General*  
"Suave" is the word for "Howie". Whether at a dance, on the gridiron, or in the wrestling ring, he never loses his poise. He's rated an all-round fellow.

FRANCES KRISKA

"Fran"

*Kenilworth Commercial*  
Fran is a lively and very likeable person. Everyone who knows her swears by her marvelous sense of humor and depends upon her for that well-known laugh.

ROBERT KRAMM

*Springfield College Preparatory*  
Although he has one of the clearest consciences in the class, he's one of our best blushers. He'll make his way successfully, we think, in any surroundings.

JOHN KROEHLING

"Johnny"

*Springfield College Preparatory*  
"An all-round good fellow" best describes Johnny. He's a hardworker and an excellent chemist. His outstanding work on the gridiron has made him one of Regional's real football players.

FRANK KUFTA  
*Garwood General*  
 School life would be a headache without fellows like Frank. He has an open mind without an open mouth. He's known for a big heart.

ANTHONY LAMMI  
*"Tony"*  
*Garwood General*  
 A coming young musician, a future master mechanic, an expert in economic geography—Tony's a fellow who rates high at Regional as a good sport, a worker and a friend.

WILLIAM LANTZ  
*"Bill"*  
*Mountainside College Preparatory Agriculture*  
 Another famous young Lantz and a capable fellow in his own right. In January Bill left books and agriculture behind for a birth in our expanding navy.

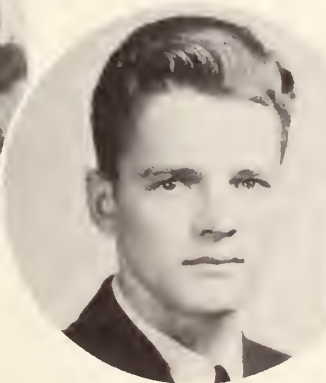

LEONA LAMB  
*"Lee"*  
*Kenilworth General*  
 "A grand girl with a pretty voice and a winning personality"—characterizes Leona. She is very active in school as well as in outside activities.

RUTH LAURENE  
*Kenilworth General*  
 The happy-go-lucky "lead" of our successful operetta has made many friends since she started at Regional. She is a shy "little girl" who will be missed when she graduates.

RODERICK LISTER  
*"Roddy"*  
*Kenilworth College Preparatory*  
 Our smallest Freshman classmate, Roddy is now one of our biggest and most distinguished—a "champ" among wrestlers, honor students, and singers. Both girls and fellows call him "tops".

EDWIN R. LOEDER  
*"Eddie"*  
*Kenilworth College Preparatory*  
 Ed works hard, plays harder and takes nothing without giving some humor in return. He is certain to gain many friends no matter where he may be in the future.

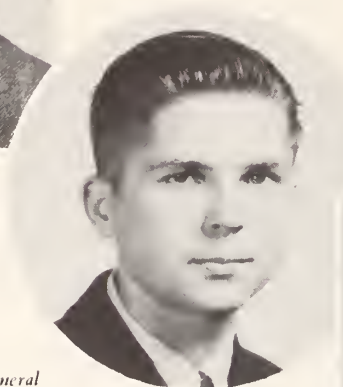

CATHERINE LEBER  
*Kenilworth College Preparatory*  
 Catherine is our newest new-comer and a welcome addition. We haven't found out what her ambitions are yet, but we are sure that they will be fulfilled in future years.

VINCENT LUCA

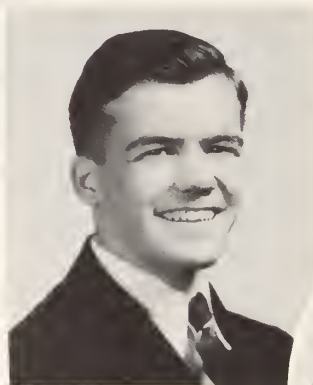

"Shrimp"

*Kenilworth* *General*  
"Baseball" should be Vinc's middle name, for it has been his chief interest in life thus far. In the future he hopes to enter a defense school.

MIKE J. LOH

*Garwood* *General*  
Whether Mike's playing on the basketball court or whether he's not, you can be sure he has his heart in his work. Mike's a clever fellow and a good friend.

OLIVER LUCE

"Ollie"

*New Providence Township*

*College Preparatory*

Oliver is a small fellow with a winning smile and a special talent for football. Regional could use more like him. He's the kind they raise in Berkeley Heights.

MADELINE MAGRINO

"Mat"

*New Providence Township*

*General*

When you see Dot you'll see Mat wherever you go, be it skating or bowling. We appreciate Mat's smartness in clothes. Her friendliness has made her well known at Regional.

ELSIE MARTIN

*Springfield* *General*  
Elsie, a snappy little girl from Springfield, is getting along all right in her school and social life. We wonder what Barringer is doing without her this year.

LUCILLE ANN MAZZUCCO

"Lou"

*New Providence Township*

*Commercial*

When good secretaries are trained Regional trains them, and Lucille's one of the best. Of course, she has her fun but never fails to get her work well done.

WILLIAM MASTERSON

"Red"

*New Providence Township*

*General*

A tough football man, a lively humorist, a "whizz" at parties, "Red's" all right. Aside from wanting to meet Betty Grable, Bill doesn't ask much out of life.

ROBERT MCCARTHY

"Mac"

*Springfield*

*General*

"Mac", is our vice-president and a valuable member of the wrestling team. He is willing to work, dependable, and well-liked by everyone. For further details, ask June.

BETTY JEAN MELLBERG  
*Springfield College Preparatory*  
 Whether Betty is playing hockey or basketball, she'll always be ready to greet you with a cheery "Hello". It's people like our Betty that make the world go around.

WILLIAM MCGEEHAN  
 "Bill"

*Springfield General*  
 When the whistle blew for the kick off, Bill was in the line-up. When the bugles blew last December, he was one of the very first of our navy volunteers.

HOWARD McDOWELL  
*Mountainside General*  
 "Mac" is a stimulating, individualistic soul. He'll kid you without mercy if you give him a chance. In history class, "Mac" is our bright and shining example of Senior superiority.

RUTH ANITA MEISIEK  
 "Red"

*Mountainside General*  
 "Red's" buoyant spirit and friendly ways have won her many friends in Regional. The faculty members rate her high for her dependability. That's one time when the teachers are right.

ARTHUR J. MENZIE  
 "A. J."

*Springfield Commercial*  
 A. J. is full of fun and is a loyal member of Mr. Lewis's bookroom brigade. If you know him, you'll like him; if you don't, you've missed a lot.

ROBERT MENDE  
 "Men"

*Springfield General Agriculture*  
 Bob has the excellent quality of hanging on to a job through thick and thin until the work is done. "Determination" is his middle name. Good luck, Bob.

CARL LEONARD MELNI  
 "Mel"

*Springfield College Preparatory*  
 When it's necessary, Carl is as original a creator as the best. He'll influence you to his own views if you give him a chance.

EDWARD F. MENERTH, JR.

**NORMA M. NITSCHKI**

**MICHAEL O'CONNE**  
*"Honest Mike"*

Give us more Schramms, for we need more talent. Basketball, track, music and Schramm—these words seem to belong together, for Ray is a "natural" in these three fields.

HAROLD SHAW

*Springfield College Preparatory*  
"An excellent student with a sense of humor" describes Harold to a "T". His ambition is to become a chemical engineer, and he has the ability to do it.

Florence has a pleasant voice and a nice smile. She's always cheerful, understanding and willing to work. No wonder she's everyone's friend. Hold that smile, Flossie!

RUDY SIKORSKY

*Clark General*  
Everyone knows Rudy. This good-looking fellow has changed a great deal since he came to Regional. It couldn't be the Regional girls; or could it?

# YHALE SNOW

*Springfield* General.  
Few people in this world have a pleasant disposition all the time. Yhale is different. He's always in a good humor. His only weakness is hayrides; we haven't found any others.

# FRED SPITZHOFF

# ROBERT L. STRANACHER

*Garwood* General  
Good things come in small packages, and "Beans" used to be small. Although never very talkative, he is heard when he does speak. You'll learn and profit from him.

Elsie is a shortie, blessed with rich "raven locks". Her snapping eyes prove that she's one of those fun-loving girls that have made Regional famous.

Ruth is a true friend and a very valuable one. When you want to have fun, call on Ruth. Although she's a busy student, Rucie has time for her friends.

THOMAS C. STREET

The best man on our football team, Tommy does not confine his activities to athletics. He was president of our class in '38 and vice-president in '40. We salute a short, straight Street.

ROBERT SWISHER

*Springfield College Preparatory*  
Bobby Swisher, alias "Boogie Woogie Swisher", is well known for his extravagant clowning and for real piano talent. We like his snappy jokes and will miss his repartee and his repertoire.

AGNES TREMBLEY  
*New Providence Township*

*General*  
Agnes was voted the best-dressed senior girl, and that is quite natural. She spends her time and best energies in the sewing room. Best wishes to a good friend.

Everyone who knows Johnny admires and envies him. His perseverance, intelligence and keen wit will never be forgotten. The future spells great success and even greater friendship for him.

RICHARD E. TOMPKINS

No Regional band would be complete without "Moscow's" drums. Room 204 is where he spends his leisure time turning out carloads of attractive decorations for school affairs. Keep drawing, Richie!

# ROBERT VAN RIPER

*Springfield Commercial*  
Bob is vice-president of his home-room. That's typical of Bob. He does his work quietly and efficiently and is one of our most rabid roller-skating fans.

We all know Dot, and marvel at her long, well-manicured fingernails. She is an attractive girl, who, we know, will be liked wherever she goes.

No better buddy could ever be wanted than Berkeley's own Helen. She's a quiet one and a smart one. Her friends already know that; her employer will, too.

 We admire Mary for her abilities, her friendliness and tact. Leaving behind her a trail of broken hearts —Mary, we predict, will be an even greater sensation at Tusculum.

PETER WARCHOL  
*"Pete"*

*Garwood General*  
 Pete's not the type that talks a great deal, but he certainly thinks quickly, especially on the basketball court. He's one of our important "first-string" players.

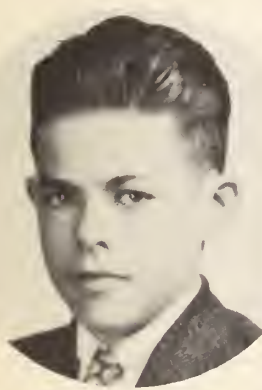

SHIRLEY WATT  
*"Little Girl"*

*Garwood General*  
 Our Shirley gives plenty of spirit to a football game and still has lots left for school, even for Mr. Gatti's history class. Shirley will never change, and we hope her life will be *Philed with Culture*.

EVELYNE WEBER  
*"Web"*

*Mountainside General*  
 Among our popular seniors we find Evelyn who is known well by everyone from Freshman to Post Grads. We are sure that she will retain that popularity throughout the coming years.

 While Doug has done a good job in his commercial classes, he has managed to miss none of the fun in school life. He'll use his head and go ahead.

SHERMAN WILLIAMS  
*"Willie"*

*Springfield College Preparatory*  
 "Willie" seems to be the natural target for jokes and puns. But without kidding, we recognize his ability as a student, a trombone player, photographer and all-round good fellow.

MARJORIE WILLIAMSON  
*"Lefty"*

*Garwood General*  
 Marge is short and sweet and liked by everyone. She says her hobby is skating, but of course we know better. Lots of success, Marge, in your future undertakings.

DOREEN HARRIET WILHELM  
*"D"*

*New Providence Township Commercial*  
 "D's" green eyes can set anyone wondering what she's thinking. She has plenty of fun especially on rollers. "D" has done her share of work on this 1942 "Regionologue."

ROBERT WILSON

"Bob"

*Springfield* *General*  
"Remember Pearl Harbor" expresses Bob's feeling. Like the early Minute Men, Bob and his friends responded at once. He exchanged his Orange and Blue for regulation navy blue.

WILBUR WOJETCH  
*New Providence Township*  
*College Preparatory, Agricultural*  
Wilbur is the pride of the "Ag" boys. In 1941 he was voted the best New Jersey Agriculture Poultry Boy; he also won many other agricultural contests. Keep it up.

MARGER Y YAEGER

"Marge"

*Springfield* *General*  
Although a little quiet and retiring, Marge has missed none of the pleasures in school life. In fact she's the kind that is calm enough to know what's going on.

JOHN YAWLAK

*Garwood*

*General*

His aggressiveness and scrappiness in the gym have won the admiration of Regional basketball fans. He's a born player; yet off the floor he's an example of gentleness and modesty.

ELLI ZABEL

*Kenilworth*

*Commercial*

Soft spoken, lady-like, studious Elli has won a reputation for being the kind of girl who can accomplish a lot. For kindness and friendliness she has few equals.

From the very beginning of Regional's history the Student Council and the Hall Patrol have been looked on as important organizations. Well have they deserved their reputation, for they are important units in our self-governing, democratic enterprise. We have a right to look on our self-government as important for we are really making democracy stronger and more lasting when we are learning to put it into practice in school.

To make democracy work we must have more than good intentions: we must have ability and intelligence.

High standards of scholarship and community service must be upheld; that's where the Regional chapter of the National Honor Society fit into the picture.

Aside from these organizations there are other groups that work faithfully on self-government—such groups as homerooms, class organizations, clubs, etc. It all fits together to make a democratic school.

## NATIONAL HONOR SOCIETY

These "Future Farmers," the busiest fellows in school, gathered and repaired toys for needy children at Christmas, made and sold wreaths, raised chickens, bought a War Bond, donated and planted shrubbery for the school. There's no end to the work they do.

In the generous spirit of their great organization these Red Cross workers have raised money, produced a memorable variety show, and done everything possible for the good of their fellow men.

Without these organizations life at Regional would lack a great amount of color. Few schools can call on a more active and talented group to make such elaborate dance decorations as our "Sketchers" make. They produce the most stunning murals.

The singing groups have always been good. This year they blossomed out in "H. M. S. Pinafore" "Sir Joseph" had a right to be proud of his sisters and his cousins and his uncles and his aunts, for they were not only a beautiful sight to see but "skilled in minstrelsy." The Christmas performance of the Choir set a high standard too. We look forward to future years and more stirring operetta performances.

Anyone who has the ability tries to become a member of these musical groups. Certainly school life would be different if we didn't have the band to add excitement and color to assemblies, football games and other occasions. We're proud of these people in their orange and blue uniforms. We're enthusiastic too about the hot music of the Swing Band. These fellows are really "in the groove." With true school spirit they have furnished music for afternoon dancing.

Our musical life would not be complete without the Regional orchestra. The success of the "Pinafore" performance was due in great part to the brilliant work of the orchestra. In five short years we have developed a strong music tradition. Individual stars have won honors. We have reached high standards of performance and appreciation.

## CROSS COUNTRY

Over hill, over dale these tireless fellows go racing along. Whether it's asphalt, cinders, concrete, or what have you—they fight on to the finish line.

Most of them started the season without experience yet developed themselves into a creditable team that gave their opponents stiff competition.

Meeting a schedule of strong teams, our boys succeeded in winning two meets. In the other contests they pressed close upon their opponents and kept the Orange and Blue in the race.

For the boys and their backers the satisfaction lay in the sport, and in the fine spirit of the team.

# FOOTBALL

If scores were the only things important in an athletic season, the football campaign would be considered unsuccessful. Experienced fans, however, know that the score-book does not tell the whole story. Our eleven was inexperienced and was facing a tough schedule of opponents who were determined to repay us for previous defeats bitterly suffered from former, more experienced Regional squads. Handicapped by frequent injuries, by lack of weight, our team showed the Regional spirit nevertheless and played ball to the very end.

While these fellows proved that "they could take it" and even "take it on the chin" like good sports; they also demonstrated that they could give it. It's charging low, tackling hard, thinking fast, knowing football, "scrapping" and liking a scrap that makes a football team and makes football a great sport.

Even in the face of defeats, such players as Tom Street, "Lefty" Upton, "Ollie" Luce, Bill McGeehan, Nick Philippa, Bob Keller, George Morton, and Johnnie Kroehling, were outstanding, and contributed much to the morale of the team. Coach Geston will be missed next year, due to his joining the physical training program of the Navy. Next fall Coaches Brown and Hughes will put Brown's Bulldogs on the field to give battle to all comers.

## WRESTLING

Another glorious season came to a close, and the wrestlers had plenty to show for it. Not only did they beat everyone except Union, and place fourth in the state, but they did what no previous wrestling team has done, i. e., win the district championship.

It appears that those long afternoons of "beating each other up" fully paid off in dividends for the team. The wrestlers who took first in the "districts" and went on to the "states" were Joe Amorosa, who placed second in the state, Roger Allcroft, John Gudor, and Roddy Lister, each of whom finished third. Bob Reuter took a fourth place.

The team certainly missed the wrestling ability of undefeated Captain McCarthy when he was confined to the hospital because of illness.

Working under a constant strain the boys brought the string of consecutive victories to fifteen and then were defeated only by a powerful team from Union, the team which finally became state champions.

## BASKETBALL

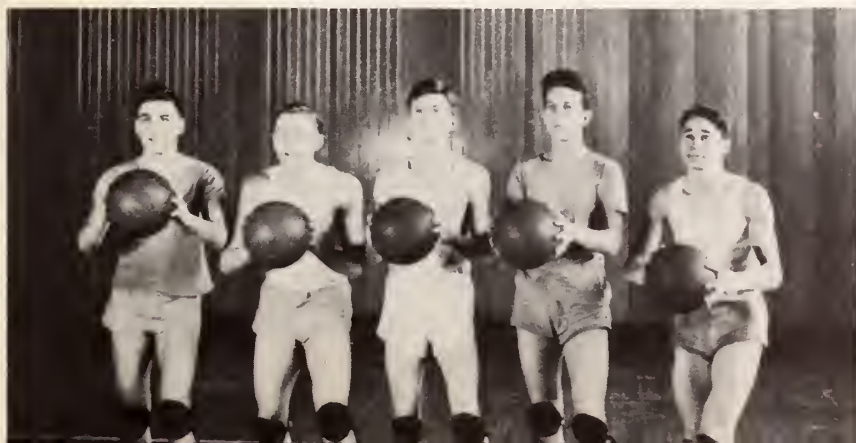

This was another year of success for the Regional cagers. Although smaller than the boys on previous teams, these fellows look back with satisfaction over a prosperous season. Paced by their co-captains John "Yonk" Wanca and John "Zeke" Zabelski, the boys squeezed out a win over our rival Rahway, which was Rahway's only defeat of the season. One of the brightest spots of the cage campaign was the high scoring of John Wanca who had better than a fifteen point average for the nineteen games of the regular season.

In the Big Five Conference race of this year our lads ended in a tie with Rahway, each having only one defeat and eight victories. There was no time available for a play-off, so a co-championship was declared.

## TRACK

Mr. Gesten in his last year as track coach brought out the best the fellows of the team had. There were many individuals who starred throughout the season, among them were Sumner Von Borstel, a freshman, who broke the school record in the shot-put and also placed first in the county meet. Fred Danneman was a consistent winner in the pole vault and took first place in the county and second in the state. He also broke the school record for the pole vault. Bob Price was the high scorer of the year, getting points in the 100 yard dash, 220, 440 and broad jump. George Smart broke the school record for the hundred by running it in 10 seconds flat.

A newly formed 880 relay team, the first in the school's history, captured the county title. This team was made up of Tom Street, George Smart, Bob Price, and Bob Snowden.

In the absence of Coach Gesten, Coach Brown will take over his former duties, and now that the new season is here we look forward to another successful team under his management.

New material looks good and in spite of the loss of many of last year's stars, "Chinky" Danniman and many other men of last year will be out there to guarantee us our usual high place in county track circles.

## CHEERLEADERS

"They've got oomph!" How many times that has been said about our cheerleaders. They know how and when to lead a cheer. They can make us yell, and they can make us sing. At every game and pep rally they're on the job working for the team. To those who have not tried it, cheerleading may look easy. To those who know, it's hard work. Success comes only with practice.

## GOLF - - 1941

Fore! Watch your heads; here comes the golf team. This strong outfit had a successful season and placed third in the county. John Wanca, who was number-one man all year, Frank Druzek, Pete Warchol, and Tony Bubenias held the first four places. The only thing that marred the season was a double defeat by Rahway. But the boys felt better when they found out that Rahway won the County and State Championships. The team, coached by Mr. Haut, was out there not only to win, but also out to get as much fun out of it as possible.

Front row, left to right: Rose Innocenti, Shirley Watt, Betty Knudson, Jay Esposito. Standing, left to right: Charlotte Allen, Barbara Elko, Doris Nash, Gloria Mowery.

Left to right: Mr. Haut, Lester Neville, John Wanca, Frank Druzek, Peter Warchol, Joe Zampaglione.

MISS PHILLIPS

## GIRLS' SPORTS

Health and physical endurance are more important than ever. Like the boys, the girls find sports to be the most enjoyable road to fitness. Soccer, hockey, basketball, swimming, ping pong, baseball, archery, volleyball, cycling, and hiking are the principal sports. Interclass rivalry puts plenty of spirit into these games. Points for success in these fields lead to awards and in outstanding cases to a girl's "varsity letter."

### Girls' Basketball

First row, sitting: Viola Egler, Peggy Newhauser, Joan Wyles, Eleanor Capp, Marjorie Geiger, Phyllis Bunnell. Second row, left to right: Marian Arthur, Gladys Grimm, Joan Metzger, Anny Gerdes, Martha Kelly, Dorothy Bushman, Karen Torp, Nancy Bushman, Carol Cushing, Betty Addis. Third row: Betty Mellburg, Jean Cosgrove, Shelagh Kelly, Doris Lamb, Doris Nash, Peggy Jones, Ruth Clark, Corrine Tzses. Fourth row, left to right: Virginia Kroehling, Gloria Mowrey, Helen Walsh, Adriana Beaver, Jean Dambres, Jean Beaver, Vera Nucifora.

Bobby Swisher plays concert now.  
Since "42" he's gone highbrow!  
In school he was "hep" to the "boogie beat."  
Now classical music is his meat!

Sherman Williams is in the army now.  
And drills from morn to night—  
With all his practice he still can't tell—  
His left foot from his right!

Adele Oswald was blonde and sweet,

But now she's more of the glamorous type  
With raven black hair instead of light.

Listen my children and you shall hear,  
Of a boy named John and his career—

## Class Will

WE, the Class of '42, being wholly irresponsible and not giving a hoot what we leave or take with us, bequeath the following to the barren remains of Regional and its inmates after our harum-scarum exit. We do declare this our last will and testament—(TAKE IT OR LEAVE IT)

To the Juniors—Another Romeo Howarth for Capestrano Packer.

To the Underclassmen—Barrels and barrels of that traditional Regional remedy: obtainable at the Health Office for ALL ills.

To Mr. Poppendieck—A mask and a horse like Silver to track down those escapists.

To Mr. Cookman—A pair of stuffed (?) mermaids to inspire his lectures.

To the School-Community Council—several new picnic grounds to explore.

To Miss Dimmers—A professional "Bouncer" to hasten the departure of those who annoy the goddess of manuscripts.

To Mr. Manze—A slot machine for defense stamps to save time and trouble.

To the "Ag"-Department—Six sheep to furnish wool for the industrious service knitters.

To the next Bobby Swisher—a piano with unbreakable keys.

To the next "Dayton News" Editor—Ed Menerth's ability to dodge Miss Brittle.

To Mr. Perlman—More assembly programs with pretty girl dancers and less speeches.

To some up and coming Junior—Tommy Street's ability to get involved in crap games.

To Mr. Cook—One rubber baton (bar priorities), which will bounce back into his hand whenever thrown.

To Mr. Halsey—A crop of teachers below the draft age.

To the Cafeteria — Non-skiddable trays, unbreakable dishes, edible food.

To the Freshman—A sliding board to enable them to get to the stage in a hurry during assembly.

To Miss McCarthy—A recording of her pet phrases; such as—"You're all sweet, and I love you all!"

To Mr. Russette—Band members that don't want to be actors and go to Senior Play practice instead of being in band.

To our School—More jitterbugs like Watt, Brown, and Vitale to keep Regional in the swing.

We, the Class of One Thousand Nine Hundred and Forty-two are of sound mind (no remarks) and weak will as we affix a defense stamp to seal and make legal this, our will.
